1100 air-cooled engine	Remote-controlled crawler flail mower	356kg	1100 air-cooled engine	1200mm	Remote control
192 air-cooled engine	Remote-controlled crawler flail mower	358kg	192 air-cooled engine	800mm	Remote control
195 air-cooled engine	Remote-controlled crawler flail mower	343kg	195 air-cooled engine	800mm	Remote control
1100 air-cooled engine	Remote-controlled crawler flail mower	345kg	1100 air-cooled engine	800mm	Remote control

Specifications

BRTCE-FL1000A-D 1000mm Flail Type Diesel Lawn Mower

Model	192 air-cooled engine
Product Type	Remote-controlled crawler flail mower
Cutting width	1000mm
Operation method	Remote control
Blade adjustment height	2-20cm
Travel mode	Electric crawler
Remote control distance	300 meters
Travel speed	0-5km/h
Engine brand	Koop
Power	13HP
Starting method	Electric start
Fuel	Diesel
Weight	358kg
Machine dimensions	156*120*80

BRTCE-FL1000B-D 1000mm Flail Type Diesel Lawn Mower

Model	195 air-cooled engine
Product Type	Remote-controlled crawler flail mower
Cutting width	1000mm
Operation method	Remote control
Blade adjustment height	2-20cm
Travel mode	Electric crawler
Remote control distance	300 meters
Travel speed	0-5km/h
Engine brand	Koop
Power	13.5HP
Starting method	Electric start
Fuel	Diesel
Weight	346kg
Machine dimensions	156*120*80

BRTCE-FL1000C-D 1000mm Flail Type Diesel Lawn Mower

Model	1100 air-cooled engine
Product Type	Remote-controlled crawler flail mower
Cutting width	1000mm
Operation method	Remote control
Blade adjustment height	2-20cm
Travel mode	Electric crawler
Remote control distance	300 meters
Travel speed	0-5km/h
Engine brand	Koop
Power	18HP
Starting method	Electric start
Fuel	Diesel
Weight	356kg
Machine dimensions	156*120*80

BRTCE-FL1200A-D 1200mm Flail Type Diesel Lawn Mower

Model	195 air-cooled engine
Product Type	Remote-controlled crawler flail mower
Cutting width	1200mm
Operation method	Remote control
Blade adjustment height	2-20cm
Travel mode	Electric crawler
Remote control distance	300 meters
Travel speed	0-5km/h
Engine brand	Koop
Power	15HP
Starting method	Electric start
Fuel	Diesel
Weight	356kg
Machine dimensions	156*140*80

BRTCE-FL1200B-D 1200mm Flail Type Diesel Lawn Mower

Model	1100 air-cooled engine
Product Type	Remote-controlled crawler flail mower
Cutting width	1200mm
Operation method	Remote control
Blade adjustment height	2-20cm
Travel mode	Electric crawler
Remote control distance	300 meters
Travel speed	0-5km/h
Engine brand	Koop
Power	18HP
Starting method	Electric start
Fuel	Diesel
Weight	356kg
Machine dimensions	156*140*80cm

BRTCE-FL800A-D 800mm Flail Type Diesel Lawn Mower

Model	192 air-cooled engine
Product Type	Remote-controlled crawler flail mower
Cutting width	800mm
Operation method	Remote control
Blade adjustment height	2-20cm
Travel mode	Electric crawler
Remote control distance	300 meters
Travel speed	0-5km/h
Engine brand	Koop
Power	13HP
Starting method	Electric start
Fuel	Diesel
Weight	358kg
Machine dimensions	156*100*80

BRTCE-FL800B-D 800mm Flail Type Diesel Lawn Mower

Model	195 air-cooled engine
Product Type	Remote-controlled crawler flail mower
Cutting width	800mm
Operation method	Remote control
Blade adjustment height	2-20cm
Travel mode	Electric crawler
Remote control distance	300 meters
Travel speed	0-5km/h
Engine brand	Koop
Power	13.5HP
Starting method	Electric start
Fuel	Diesel
Weight	343kg
Machine dimensions	156*100*80

BRTCE-FL800C-D 800mm Flail Type Diesel Lawn Mower

Model	1100 air-cooled engine
Product Type	Remote-controlled crawler flail mower
Cutting width	800mm
Operation method	Remote control
Blade adjustment height	2-20cm
Travel mode	Electric crawler
Remote control distance	300 meters
Travel speed	0-5km/h
Engine brand	Koop
Power	18HP
Starting method	Electric start
Fuel	Diesel
Weight	345kg
Machine dimensions	156*100*80
